The billboard is set against a backdrop of a city street with trees and buildings. It features a large image of a young boy with dark hair, wearing a blue long-sleeved shirt, sitting at a white table and smiling while looking at a tablet. A small, blue and white LEGO-style robot is on the table next to him. The billboard's design includes a white background with blue and orange accents. At the top left is the Sana Academy logo, which consists of an orange silhouette of a person jumping inside a blue circle with rays, followed by the text "Sana Academy" in blue and "Where Bright Minds Begin" in a smaller, italicized font. Below this is the main headline "Start Your Child's Learning Adventure Today" in large, bold, dark blue letters. Underneath the headline is a yellow banner with the text "Coding • Robotics • Creativity • Future Skills". A large orange button with the text "Enroll Now" and a white right-pointing arrow is positioned below the banner. At the bottom left, there are three circular icons: a blue one with a person icon labeled "Expert Instructors", a yellow one with a play button icon labeled "Interactive Learning", and an orange one with a gear icon labeled "Real Skills". On the right side of the billboard, there is a white rectangular overlay that looks like a mobile app interface. It has a dark blue header "Explore Courses" and three course cards: "Coding" (Build games and apps step by step), "Design" (Create amazing visual stories), and "Robotics" (Build, program & bring ideas to life). Each card has a corresponding icon and a right-pointing arrow. At the bottom of this overlay are four icons labeled "Home", "Courses", "Projects", and "Profile". In the bottom right corner of the billboard, there is a blue and orange curved shape containing the text "Learn Today. Lead Tomorrow." in white.
